

Vetco Gray – Sao Paulo, Brazil Design and Project Management

Vetco Gray is a leading supplier of products, systems and services for onshore and offshore drilling and production, with a century of experience in the oil and gas industry. Vetco Gray employs approximately 4,500 people at more than 60 locations in over 30 countries and, along with Vetco Aibel, is a subsidiary of Vetco International Limited. Vetco International Ltd. is a newly incorporated holding company owned and controlled by a private equity investors' consortium of Candover, 3i, JPMorgan Partners and senior management.

Whether a client needs a facility for 5 employees or 500, AsiaPac is prepared to help. In this case, Vetco Gray asked AsiaPac to oversee and coordinate a 200,000 square foot project in Brazil. AsiaPac's role is to help the Vetco Gray team pick a general contractor, locate and negotiate the acquisition of the property (either as a lease or company owned plant), and oversee the project from conception through completion.
